IF THE FLOATING BRIDGE (State Highway 520) IS CLOSED OR GRIDLOCKED then you may want to consider going North to the Lynnwood area on I-5, then take I-405 south to KJH or JHS. Or vice versa trying to get from East to West. This option will add about 30-minutes to the drive. Pay attention to the traffic reports on AM 1000 Radio. They have reports every ten minutes.

There is construction on I-5 ALL summer long so prepare by giving yourself plenty of time!

From I-5 take the State Highway 520 Floating Bridge to Montlake Blvd NE Exit. Go north on Montlake Blvd to the Arena which is on the Northside of Husky Stadium. Cheapest parking is in Lot E-1. This lot is on the North side of the athletic facilities. No in and out. Have cash ready for automated machines.

From JHS and KJH go south on I-405 and take State Highway 520 across Lake Washington to the Montlake Blvd exit and proceed as above.

If the 520 Bridge is locked down, then you can get to the UW off I-5 by taking the NE 45th Street (Exit 169) and going East on NE 45th Street about 20 blocks. As you come down a long hill you will see Husky Stadium on your right, take a sharp right onto Montlake Blvd NE and you will be on the north side of UW Lot E-1.
